

JERICO PUBLIC LIBRARY

HOMEBOUND SERVICE

IF YOU ARE HOMEBOUND & UNABLE TO COME TO THE LIBRARY, LET US BRING THE LIBRARY TO YOU!

The Jericho Public Library provides free delivery of library materials to Jericho School District residents with a valid Jericho Public Library Card who:

1. Have a temporary or permanent physical disability that prevents them from coming to the Library
2. Are confined to their home or assisted living facility due to prolonged illness, extended convalescence, or advanced age and do not have a household member or facility ride to pick up and return library materials.

SIGNING UP FOR THIS SERVICE IS EASY!

Fill out the *Jericho Library Homebound Application* and attach a note from a medical professional. This note must be on a physician's pre-printed prescription and have in writing a statement attesting to the fact that the applicant is either temporarily or permanently unable to travel to the library. Medical details are not necessary. Patrons must provide a medical note every 2 years unless the medical note states the patron is eligible for homebound services permanently.

This service is limited to items in the Jericho Library collection (28 day books, audiobooks, Large Print and older DVDs and music CDs). Interloans from other libraries (LILINK) are not eligible for homebound services. 14 day loan books, magazines, oversized items, Roku's, new DVDs, new audiobooks and museum passes are excluded from the program.

Books will be checked out to the patrons account for 6 weeks—up to 5 titles in a bag at a time.

Patrons participating in the program will become ineligible for the service if they do not return library materials. The library retains the right to assess fines and discontinue service if borrowed items are damaged and/or not returned in the same condition as they were delivered.

All items must be returned at the end of the checkout cycle in the same delivery bag.
